

## **CoraMarie Clark - Introduction**

**CoraMarie Clark combines personal experiences with out of the box ideas and insights gained from over 20 years in the dental industry. Her extensive work as a dental hygienist along with her MBA allows her to give a strategic approach to dentistry that ensures innovation *and* success in today's ever changing market.**

**Since 1999, CoraMarie's' consulting firm, Strategix Ltd, has specialized in co-developing strategies with dental practices to improve their operations in areas of production, finance, and management.**

**With an insider's perspective CoraMarie will share with us her passion, her views, and her insights on dentistry.**

**Presenting... '(Name of Presentation)',  
please help me welcome CoraMarie Clark!**
