

PRACTICELOGIX

TEAM HANDBOOK

*A practical guide that defines the core values,
policies, and procedures of your Dental Practice*

PracticeLogix is a complete team handbook that is focused on the values, policies, and procedures of your Dental Practice. PracticeLogix is a valuable training and orientation guide for new employees as well as a useful resource for staff to reference when they have any questions or concerns regarding the day-to-day operations of your Practice.

Conflict and stress often arise in a practice when there is a lack of standardized protocols. PracticeLogix improves communication by eliminating ambiguities that occur when individuals have different perceptions.

PracticeLogix is a Practice-specific guide, customized to meet your Practice requirements. It provides a common framework for your team to work from, resulting in maximum benefits for your patients and members of your team.

PracticeLogix Includes:

- A detailed description of the goals, philosophies, and vision of your Practice
- A guide to your policies and employment standards
- Specific outlines of clinical and administrative procedures
- Practical tools to help you manage your practice on a consistent, ongoing basis
- Forms to help you capture and organize the logistical details of your practice
- Other documents and information specific to your Practice

The Benefits

- Enhanced team communication
- Dependable and consistent systems
- Decreased ambiguity of policies and procedures
- Improved client satisfaction
- Empowered team
- Fully leveraged competitive edge
- Increased efficiency

Your next step to a better Practice . . .
